WORK EXPERIENCE

Underwriting Intern (Chubb Select Program), Chubb Insurance, Bermuda **Summer 2022**

- Worked with the Financial Lines team where I learned about D&O insurance, conducted risk assessment analysis of current and prospective clients for FL team, attended client and broker meetings
- Gained knowledge on other areas of insurance through educational chats with P&C, claims, actuarial, financial, operations, etc.
- Collaborated with other interns to create a high-level presentation on ESG in insurance from an underwriting and claims perspective. We presented our research to our teams and company executives at the end of the internship
- Improved analytical and research skills. Improved leadership, communication, and team building skills through professional development training sessions the interns received

Actuarial Intern, Pacific Life Reinsurance, Bermuda **Summer 2021**

- Collaborated in actuarial teams, analyzed risk and data, and assisted in building mathematical models to predict future events
- Created and collaborated on a presentation for the BMA, learned about SII and the (re)insurance industry in Bermuda
- Gained and improved technical skills in Excel, PowerPoint, Tyche model software, and SQL programming language

RYA Dinghy and Racing Instructor, Royal Bermuda Yacht Club, Bermuda **2019 & 2020**

- Organized and led beginner sailing lessons (for age five to adult), trained and coached individual and group lessons
- Gained leadership, communication, and organizational skills
