Microsoft PowerPoint

Computer Skills

Programming

Profile

I am a first year undergraduate student at Nottingham Trent studying BSc Cyber Security degree for 3 years. I recently completed my high school diploma at The Berkeley Institute with a 3.67 GPA. I have won scholarships including ABIC Education Awards Undergraduate Scholarship and BFIS Relm Insurance Scholarship for my first two years of university. My career aspirations are to become a cyber security analyst and go onto become Chief Technology Officer.

Employment History

IT Summer Internship, CedarBridge Academy, Paget Bermuda

July 2021 – August 2021

I was an IT summer intern in the Cedarbridge IT department, where I was introduced to computer systems and different solutions the schools used during the pandemic such as Dude Solutions. I was able to learn more about computers and how they work in networks and the challenges of maintaining a functional network.

Summer Student , Port Royal Golf Course, Southampton

March 2021 – August 2022

I worked in the Port Royal Pro Shop, helping people with purchasing merchandise in the shop and arranging tee time bookings and golf events for the golf course.

IT Internship, Cedarbridge Academy, Paget, Bermuda

August 2022 – September 2022

I worked in the Cedarbridge IT department where I helped install computer systems for the school. I also helped with installing new computer technologies such as Mitel phone systems, computer software, and computer hardware.

Education

High School Diploma, The Berkeley Institute

September 2018 – June 2022

I spent 4 years at the Berkeley Institute completing my Bermuda High School with a 3.67 GPA. While at the Berkeley Institute I achieved 4 Honours, 2 High Honours and 10 Principals Honours certificates. I was a prefect and achieved a community service award and outstanding student award

BSc Cyber Security, Nottingham Trent University, UK

September 2022 — June 2025

I am currently studying at Nottingham Trent university for my BSc Cyber security degree, where I want to become a cyber security analyst

Extra-curricular activities

Golf

February 2013 — Present

I enjoy playing playing golf at Port Royal Golf Course, and I am a member of the Bermuda Golf Association.

Squash

June 2018 — Present

I play squash in the junior program and have been a junior member since June 2018.

Running

April 2013 — Present

I enjoy running as a leisure activity, and I used to run competitively for my schools, but started to run as a way to keep fit instead of running in competitions. I enjoy running in a gym or on trails.
