

Ellie Cordeiro

Sustainability Student

CAREER OBJECTIVE:

To leverage my passion for sustainability and my education in the field to contribute to a more environmentally and socially responsible world. I aim to pursue a career where I can apply sustainable principles, innovate solutions, and collaborate with diverse stakeholders to drive positive environmental and social impact, while continuously learning and advancing my expertise in sustainability practices

EXPERIENCE

CHUBB— *Property Insurance Internship*

May 2023-August 2023, Hamilton, Bermuda

- I shadowed and completed tasks for professional excess property underwriters.
- I gained knowledge in the insurance industry with a specific focus on property loss
- I grew my network by attending many social events with my mentors.
- Skills gained: Communication, critical thinking, personable

Bermuda Electric Light Company (BELCO) — *Sustainability Internship*

May 2022- July 2022, Hamilton, Bermuda

- I spent the summer formulating an ESG Policy for BELCO.
 - I helped to certify BELCO in order to achieve specific sustainability awards.
 - Skills gained: Innovation, global thinker, open-minded
-
