## SUMMARY

A rare, highly motivated and self-driven Bermudian seeking the opportunity to develop my inherent skills that will one day lend value to organisations, teams and my greater community. I am a confident, hard-working, positive young adult who values short-term sacrifices for long term gains. I am focused, ambitious and willing to do whatever it takes to accomplish my goals.

## EXPERIENCE

STUDENT INTERN JUNE 2023 – AUGUST 2023  
KPMG, HAMILTON BERMUDA

### Risk Assessment and Analysis:

- Conduct comprehensive risk assessments across various business units and projects.
- Analyze financial data, market trends, and regulatory developments to identify potential risks.
- Collaborate with experienced professionals to develop risk mitigation strategies.

### Compliance Monitoring:

- Assist in monitoring and ensuring compliance with local and international regulations and standards.
- Stay up to date with evolving regulatory requirements and help KPMG maintain a compliant environment.

### Documentation and Reporting:

- Maintain accurate records of risk assessment findings and mitigation strategies.
- Assist in preparing presentations and documentation for client meetings and audits.

### Risk Mitigation:

- Support the development and implementation of risk mitigation plans.
- Collaborate with cross-functional teams to assess the effectiveness of risk control measures.
- Identify areas for improvement and suggest enhancements to mitigate risks more efficiently.

### Data Analysis:

- Apply data analysis tools and methods to discern patterns and irregularities in data pertaining to risk.
- Assist in the generation of data-driven insights to facilitate risk assessment and inform decision-making procedures.

WORK SHADOW STUDENT SEPTEMBER 2023  
ARIEL RE., HAMILTON BERMUDA

- During my work shadowing experience at Ariel Re, I had the incredible opportunity to immerse myself in the world of reinsurance and gain valuable insights into the industry.
- Throughout my time at Ariel Re, I had the chance to observe various departments and roles within the company. I was particularly fascinated by the underwriting process, where I learned how the company assesses and manages risk. It was impressive to see the meticulous analysis that goes into making crucial decisions in the world of reinsurance.

BEACH ATTENDANT (PART-TIME) APRIL 2023-NOVEMBER 2023  
CAMBRIDGE BEACHES, SANDYS BERMUDA

- One of my primary responsibilities was to maintain the cleanliness and aesthetics of the beach area. This included regularly cleaning up debris, arranging lounge chairs and umbrellas, and ensuring that the beachfront remained a pristine and inviting environment. Attention to detail was key in creating a picturesque setting for guests.
